SPECIAL BUSINESS

As special business to consider and, if thought fit, pass resolution 7 as an ordinary resolution and resolutions 8, 9 and 10 as special resolutions.

7. That, pursuant to and in accordance with Section 551 of the Companies Act 2006 (the "**Act**"), the Directors be and are hereby generally and unconditionally authorized and empowered to exercise all the powers of Bango to allot shares and/or grant rights to subscribe for or to convert any security into shares ("**Rights**"):
 - a) up to an aggregate nominal value of £5,069,500 (being the nominal value of approximately one third of Bango's issued share capital); and
 - b) up to an aggregate nominal value of £10,139,500 (being the nominal value of approximately two thirds of Bango's issued share capital) (such amount to be reduced by the nominal amount of any shares allotted or Rights granted under paragraph a)) in connection with an offer by way of a rights issue or other pre-emptive offer to:
 - i. the holders of ordinary shares of £0.20 each in the capital of Bango ("**Ordinary Shares**") in proportion (as nearly as may be practicable) to the respective number of Ordinary Shares held by them; and
 - ii. the holders of other equity securities, as required by the rights of those securities, or subject to such rights as the Directors otherwise consider necessary,

such authority to expire on the conclusion of the next Annual General Meeting of Bango following the passing of this resolution or, if earlier, the date 15 months after the date of passing this resolution, save that Bango may at any time before such expiry make any offer(s) or enter into any agreement(s) which would or might require shares to be allotted or Rights to be granted after such expiry and the Directors may allot shares or grant Rights in pursuance of any such offer(s) or agreement(s) as if the power and authority conferred by this resolution had not expired. This resolution revokes and replaces all unexercised authorities previously granted to the Directors to allot shares or grant Rights but without prejudice to any allotment of shares or grant of Rights already made, offered or agreed to be made pursuant to such authorities.

8. That subject to and conditional upon the passing of resolution 7 above, the Directors be and are hereby generally authorized in accordance with section 570 of the Act to allot equity securities (as defined in section 560 of the Act) of Bango for cash as if section 561(1) of the Act did not apply to any such allotment, provided that this authority shall be limited to:
 - a) the allotment of equity securities in connection with an offer by way of a rights issue or other pre-emptive offer to:
 - i. the holders of Ordinary Shares in proportion (as nearly as may be practicable) to the respective number of Ordinary Shares held by them; and

- ii. the holders of other equity securities, as required by the rights of those securities, or subject to such rights as the Directors otherwise consider necessary,

but (in each case) subject to such exclusions or other arrangements as the Directors may deem necessary or expedient to deal with fractional entitlements or legal or practical problems in respect of overseas holders or otherwise; and

- b) the allotment of equity securities (otherwise than pursuant to sub-paragraph (a) above) up to a maximum aggregate nominal value of £760,000 (being the nominal value of approximately 5% of the issued share capital of Bango),

and this authority shall expire on the conclusion of the next Annual General Meeting of Bango following the passing of this resolution or, if earlier, the date 15 months after the date of passing this resolution save that Bango may at any time before such expiry make any offer(s) or enter into any agreement(s) which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities pursuant to any such offer(s) or agreement(s) as if the power and authority conferred by this resolution had not expired. This resolution revokes and replaces all unexercised authorities previously granted to the Directors to allot equity securities but without prejudice to any allotment of equity securities already made, offered or agreed to be made pursuant to such authorities.

9. That subject to and conditional upon the passing of resolution 7 above, the Directors be and are hereby generally authorized in accordance with section 570 of the Act, in addition to any authority granted under resolution 8, to allot equity securities (as defined in section 560 of the Act) of Bango for cash as if section 561(1) of the Act did not apply to any such allotment, provided that this authority shall be:

- a) limited to the allotment of equity securities (otherwise than pursuant to sub-paragraph (a) of resolution 8 above) up to a maximum aggregate nominal value of £760,000 (being the nominal value of approximately 5% of the issued share capital of Bango), such amount to be reduced by the nominal amount of any shares allotted under resolution 10 below; and
- b) used only for the purpose of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors of Bango determine to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

and this authority shall expire on the conclusion of the next Annual General Meeting of Bango following the passing of this resolution or, if earlier, the date 15 months after the date of passing this resolution save that Bango may at any time before such expiry make any offer(s) or enter into any agreement(s) which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities pursuant to any such offer(s) or agreement(s) as if the power and authority conferred by this resolution had not expired. This resolution revokes and replaces all unexercised authorities previously granted to the Directors to allot equity securities but without prejudice to any allotment of equity securities already made, offered or agreed to be made pursuant to such authorities.

10. That subject to and conditional upon the passing of resolution 7 above, the Directors be and are hereby generally authorized in accordance with section 570 of the Act, in addition to any authority granted under resolution 8, to allot equity securities (as defined in section 560 of the Act) of Bango for cash as if section 561(1) of the Act did not apply to any such allotment, provided that this authority shall be limited to the allotment of equity securities up to a maximum aggregate nominal value of £760,000 (being the nominal value of approximately 5% of the issued share capital of Bango), such amount to be reduced by the nominal amount of any shares allotted under resolution 9 above. This authority shall expire on the conclusion of the next Annual General Meeting of Bango following the passing of this resolution or, if earlier, the date 15 months after the date of passing this resolution save that Bango may at any time before such expiry make any offer(s) or enter into any agreement(s) which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities pursuant to any such offer(s) or agreement(s) as if the power and authority conferred by this resolution had not expired. This resolution revokes and replaces all unexercised authorities previously granted to the Directors to allot equity securities but without prejudice to any allotment of equity securities already made, offered or agreed to be made pursuant to such authorities.

Notice of Annual General Meeting – Explanatory Notes

Report and Accounts (Resolution 1)

The Directors of Bango must present the accounts to the meeting.

Re-election of Directors (Resolutions 2 – 5 inclusive)

The Bango Articles of Association require that one third of the Board (or, if their number is not a multiple of three, the number nearest to but not exceeding one-third), and any Director newly appointed since the last Annual General Meeting, retire and seek re-election at each Annual General Meeting. Furthermore, in line with good corporate governance practice, it is Bango practice that any non-executive Director having been in post for nine years or more is subject to annual re-election.

At this meeting, Paul Larbey and Frank Bury will retire and stand for re-election as Directors. Having considered the performance of, and contribution made by, Paul Larbey and Frank Bury, the Board remains satisfied that their performance continues to be effective and to demonstrate commitment to the role and, as such, recommends their re-election. Lisa Gansky and Marcus Weldon were appointed as Directors since the last Annual General Meeting, and so will retire and seek re-election. No non-executive Directors have been in post for nine years or more.

Reappointment and remuneration of auditors (Resolution 6)

Resolution 6 proposes the re-appointment of RSM UK Audit LLP as auditors of Bango and authorizes the Board to determine the auditors' remuneration. Following a thorough tender process, RSM UK Audit LLP was appointed as Bango's auditors in 2019. The Board recommends their re-appointment as auditors of Bango.

Directors' authority to allot shares (Resolution 7)

Directors may only allot shares or grant rights to subscribe for or to convert any security into shares ("**Rights**") if authorized to do so by the shareholders. The authority granted at the last Annual General Meeting is due to expire at the conclusion of this year's Annual General Meeting. This resolution 7, which complies with guidance issued by the Investment Association, seeks to grant a new authority to the Directors to allot shares and/or grant Rights, and will expire at the conclusion of the next Annual General Meeting of Bango or, if earlier, on 25 August 2023 (the date which is 15 months after the date of passing of the resolution). Investment Association guidance confirms that shareholders may regard as routine an authority to allot up to two-thirds of the existing issued share capital. However, any amounts allotted in excess of one-third of the existing issued share capital should be applied to fully pre-emptive rights issues only. This resolution reflects this guidance. There is no present intention of exercising this authority. However, if passed, this resolution would give the Directors authority to allot shares and/or grant Rights up to an aggregate nominal value of £5,069,500 (approximately one-third of Bango's issued ordinary share capital as at 20 April 2022), and up to an aggregate nominal value of £10,139,500 (approximately two-thirds of Bango's issued ordinary share capital as at 20 April 2022) in connection with an offer by way of a rights issue or other pre-emptive offer. Shareholders should note that if the Directors wish to use the authority granted by this resolution 7 and allot shares and/or grant Rights they must first offer them to existing shareholders in proportion to their holdings. If resolutions 8 – 10 below are passed, the total number of shares which can be issued without a pre-emptive offer to existing shareholders would be 7,600,000 Ordinary Shares (equivalent to approximately 10 per cent of Bango's issued ordinary share capital as at 20 April 2022). Shareholders should further note that the authorization granted by this resolution 7 is not required for the grant of options (or the issue of shares on exercise of such options) under an employee share scheme.

Disapplication of pre-emption rights (Resolutions 8, 9 and 10)

Under section 561(1) of the Act, if the Directors wish to allot equity securities (as defined in section 560 of the Act) (other than following an exercise of options granted under an employee share scheme) they must in the first instance offer them to existing shareholders in proportion to their holdings. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities by the issue of shares without a pre-emptive offer to existing shareholders. This cannot be done under the Act unless the shareholders have first waived their pre-emption rights.

Resolution 8 asks the shareholders to do this and, apart from rights issues or any other pre-emptive offer concerning equity securities and the grant of share options, the authority will be limited to the issue of equity securities for cash up to a maximum nominal value of £760,000 (being 3,800,000 ordinary shares of £0.20 each ("**Ordinary Shares**")), which is equivalent to approximately 5 per cent of Bango's issued ordinary share capital as at 20 April 2022, in line with the Pre-Emption Group 2015 Statement of Principles ("**Statement of Principles**") for the disapplication of pre-emption rights. Resolution 8 also seeks a disapplication of the pre-emption rights on a rights issue so as to allow the Directors to make exclusions or such other arrangements as may be appropriate to resolve legal or practical problems which, for example, might arise with overseas shareholders.

Resolution 9 seeks additional approval for the disapplication of pre-emption rights on shares issued for cash up to a further nominal value of £760,000 (being 3,800,000 Ordinary Shares), which is equivalent to approximately 5 per cent of Bango's issued ordinary share capital as at 20 April 2022. This authority can only be exercised in connection with one or more acquisitions or specified capital investments that the

Directors determine fall within the Statement of Principles. The Directors confirm that the additional 5 per cent authority will only be used in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

Resolution 10 seeks additional approval for the disapplication of pre-emption rights on shares issued for cash up to a further nominal value of £760,000 (being 3,800,000 Ordinary Shares), which is equivalent to approximately 5 per cent of Bango's issued ordinary share capital as at 20 April 2022. This authority is in addition to the authority in resolution 8b), which means that, if both resolution 8 and resolution 10 are passed, the Directors will be able to issue shares up to a total nominal value of £1,520,000 (being 7,600,000 Ordinary Shares, equivalent to approximately 10 per cent of Bango's issued ordinary share capital as at 20 April 2022) without a pre-emptive offer to existing shareholders. Any shares issued pursuant to this authority shall reduce the number of shares which can be allotted under resolution 9 and any shares allotted under resolution 9 will likewise reduce the number of shares which can be issued under this authority. This means that, if resolutions 8, 9 and 10 are passed, the total number of shares which can be issued without a pre-emptive offer to existing shareholders would be 7,600,000 Ordinary Shares (equivalent to approximately 10 per cent of Bango's issued ordinary share capital as at 20 April 2022). The Directors are seeking this authority for additional flexibility to issue shares non-preemptively to support the business without the restriction that the authority must be used in connection with an acquisition or specified capital investment falling within the Statement of Principles.

If resolutions 8, 9 and 10 are passed, the authorities will expire at the conclusion of the next Annual General Meeting of Bango or, if earlier, 25 August 2023 (the date which is 15 months after the date of passing of the resolution). Shareholders will note that these resolutions will be proposed as special resolutions.
